A taste of luxury each day

It's easy if you have good taste: Just use the best ingredients. That's exactly how FRANKIA designed your holiday kitchen.

A photograph of a modern shower enclosure. The shower has a glass door with a chrome handle and a chrome showerhead. The vanity is made of light-colored wood. The shower is set in a bathroom with a white wall and a white ceiling. The shower is illuminated by a recessed light fixture in the ceiling.

Refreshing from every angle

In FRANKIA's spa-like bathroom you can take a break from it all however you like. The F-Line offers you more space to relax, unwind, refresh and reinvigorate yourself. In every corner.

That's exactly what you get in the FRANKIA F-Line bedrooms. No matter when or how you like to sleep – or if you want to sleep at all. You can do it all here in the comfortable twin beds, in the sophisticated drop-down bed, in the classy queen-size bed or in the spacious Coachbuilt bed.

Between waves and birdsong

Unforgettable: Stay a while and enjoy the sound of nature. Spend your free time your way – in the FRANKIA Coachbuilt. You have plenty of space here, even to sleep lengthwise.

The meaning of relaxation

More light, more headroom, more comfort, more stability: All FRANKIA A-Class models feature spacious power drop-down beds.

So much (free) space

The FRANKIA F-Line offers you more, especially when it comes to storage space. We made the most out of every nook and cranny for you with hidden storage compartments that are still easily accessible - even in the 35 cm double floor.
